Benjamin Batey passed away August 1 2014 at the age of 76 Benjamin Elwood Batey was born November 27 1935 at home in Neelys Bend on November 27 1935 to Sarah Christine Traylor Batey and Benjamin Walter Batey. He was the third of four sons. Ben graduated from Isaac Litton High School in 1953 with his best friend and cousin Paul Traylor. In their youths Ben and his brothers worked side by side with their father in the family owned Neelys Bend Dairy. Their daily hard work prepared and motivated them to do well in their future careers. Ben attended David Lipscomb College before transferring to Vanderbilt University where he earned a Bachelor's Degree in Biology. While earning his master's degree at Vanderbilt he dated and became engaged to Gayle Sipe. Shortly after graduation Ben and Gayle were married and accepted jobs in the Kern High School District of California. He taught biology and chemistry at Shafter High School and then Foothill High School for nearly a decade. He maintained friendships with many of those young teachers and students for the rest of his life. In 1969 Ben left teaching for a new career in real estate when he was recruited to join Karpe Real Estate by president Al Wheelan. With hard work and dedication Ben found success in the real estate business and in 1973 he was recognized as Salesman of the Year by the Bakersfield Association of Realtors. During the 1970's Ben expanded his activities to include residential construction. As Manager of Construction he built homes in Bakersfield's most desirable neighborhoods. Ben and Gayle founded their own real estate construction and development company in the 1980's. During the next three decades Ben would become a driving force in developing and building in many of Bakersfield's popular neighborhoods. Ben built nearly 1 000 homes in Bakersfield and one of his greatest pleasures was driving through one of his subdivisions and seeing families live their lives in the homes he had built. MARY SUE BURKLIN HESSELBERG

2021-06-18 Age 86

Winter WI

Mary Sue (Burklin) Hesselberg was born January 25 1935 and died June 18 2021. North to Alaska travels were not a girlhood dream for Mary Sue (Burklin) Hesselberg. She was a southern gal ya'll and loved her sweet ice tea. Born January 25 1935 in Nashville TN the one and only child born to loving parents James R. Burklin and Emma L.(Brewer) Burklin. Mary Sue who preferred to be called Sue was raised in the traditions of the God-loving south; church good music cornbread buttermilk plums tomatoes southern fried chicken and coconut cake Mary Sue's favorite cake. When Sue was fourteen years old her mother Emma passed away. Her father James remarried and his new wife Gladys (Scarborough) Burklin stepped into Sue's life and raised her as her own. Sue graduated from Issac Litton High School in 1953. When Sue neared dating age her father warned her to stay away from those wild military fellas. Nashville was home to Ladd Air Force base and it wasn't long before Sue's girlfriend arranged a blind date for her with a young Air Force fella named Dean Hesselberg. After a few secretive dates Sue arranged for the much dreaded introduction of Dean to her father. The first meeting went well. Sue's father told her if she wanted to keep this fella she should make him some of her fried chicken and take him on a picnic. It worked. A few months later on June 12 1953 Sue and Dean were married. Dean was deployed to Fairbanks Alaska and the adventures began for Sue. The southern gal had never been out of Tennessee and was now going to fly to Fairbanks and join her new husband. That was the beginning of a life that would bring the couple back to Alaska several times throughout their lives. After Dean was discharged the young couple headed to Dean's home state of Wisconsin with daughter Karen in tow. Sue not wanting to have an only child as she always wished for a brother or sister gave birth to two more daughters Shirleen and Dena. Sue worked at Cuna Insurance and with Dean in the couple's own sign business Creative Outdoor Advertising. Sue retired from Cuna and the couple eventually sold the sign business and moved to their cabin in Ojibwa Wisconsin. Not yet ready to fully retire Sue and Dean together with their oldest daughter Karen and husband Charlie (Nielsen) bought the Chippewa River Inn in Ojibwa which they re-furnished and opened as a Bed and Breakfast. However Alaska kept calling. Sue and Dean were offered an opportunity to work summer seasons at Bettles Lodge in Bettles and they accepted. The news of Bettles Lodge needing help came through daughter Shirleen and her husband Curt (Beach) who were and still are living in Alaska. After a few seasons of traveling back and forth between the two states the Chippewa River Inn was sold and Sue and Dean retired from their positions at Bettles Lodge. Fully retired and wanting to spend time with Dena husband Todd

MARTHA JEAN CLARK COOKE

2020-08-22 Age 84
Brentwood TN

Martha Jean Clark Cooke of Brentwood - Our 74-year odyssey through this life has ended because my sweetheart the love of my life and my mainstay left us 22 August 2020. We began our journey together in the sixth grade at Dan Mills Elementary school when I saw the most beautiful red-haired girl and decided that one day she would be my wife. From that beginning we finished grade school TOGETHER then graduated Isaac Litton High School TOGETHER and then graduated David Lipscomb College TOGETHER and shortly thereafter we were married by Dr. Joe Sanders 17 June 1957 and thus began our 63 years of marriage TOGETHER. Martha taught third grade at her Alma Mater for five and a half years and then we began to start our family. Martha is survived by her loving husband of 63 years Joe Cooke; two children Karen Elizabeth Cox (Charles Marlin) Bellevue and Stephen Clark Cooke (Stephanie Ann England) Oak Ridge. She is also survived by the light of her life and grandson Samuel England Cooke Oak Ridge. In addition she is survived by two nephews David Deckard (Brenda) of Tucson AZ and Thomas P. Hatfield (Nancy) Nashville. There were three

CLASS of 53

important things in her life; her church work her family and genealogy. During her adult life she was a member of two churches of Christ; Jackson Park 23 years and Harpeth Hills fifty plus years. As a member of both congregations she was active in several ministries; Education Benevolence and Missions. Martha was born 21 April 1935 to Walter Bell Clark and Mabel Frances Hall both of whom predecease her. She is also predeceased by her three siblings; Ruth Elizabeth Clark (Thomas P. Sr.) Mary Frances Deckard (John William) and Harry Douglas Clark (Willowdean Jackson). Martha was an accomplished genealogist. She was a fifty-year member of Travellers Rest Chapter DAR serving in several roles including Chapter Regent. She also was the Organizing Regent of the Prudence Hall Chapter DAC named for her fifth great grandmother. In addition to her membership in these patriotic organizations she helped countless individuals researching their 'roots' providing proof of eligibility for membership in these organizations and not only those seeking membership in the DAR or DAC those who simply wanted to know about their family including one young man in a California State Prison. Martha was the rudder in our family ship possessing the uncanny ability to always be right. Perhaps the summation of her life work is expressed in one of the many get well cards from her friends; "you have given so much for so long for so many". Martha's favorite hymn was 'Victory in Jesus' and I'm sure she is claiming that victory today. JEAN CAROL STONE YOUNT

Jean Carol Stone Yount age 82 of Greenbrier passed away on October 8 2017 after a long and courageous battle. She was born on March 4 1935 in Erwin Tennessee to the late George E. and Sallie Futrell Stone. Mrs. Yount was a vibrant lady that loved her family and church. She enjoyed time watching Alabama Football yelling "Roll Tide." A memory that was shared was listening to her play the piano songs like "In the Garden" and "For me & my gal" that she and Lenny would play together and going to church at Highland Chapel Union Church on Sundays. She worked hard all of her life as a real estate broker. She was the true definition of a professional; you would find her most days driving around meeting with clients and making sure they had the best deal and the home of their dreams. After almost 40 years in real estate Mrs. Yount finally retiring at the age of 80. Her energetic personality didn't keep her still for long. She enjoyed visiting places like Gatlinburg California New York and the Gulf of Mexico yet her biggest adventure was traveling to Paris France; she said "It was the trip of a lifetime" and was glad to share it with her companion and partner in life Lenny. Family traditions are something Mrs. Yount instilled into her children. Every Christmas like clockwork she would have them get the ladder and pull down the numerous Christmas decorations that were to be placed around the house and on the live Christmas tree. When Christmas morning came around you would find the family enjoying a country ham breakfast at their mothers table. In addition to her parents Mrs. Yount is preceded in death by her husband Donald C. Yount Sr. She is survived by her children Connie L. Edwards Donald C. (Tamara) Yount Jr. William E. He retired from MNPS in 1992, after handing his daughter and her classmates at Hume-Fogg Academic Magnet their high school diplomas. After his retirement from MNPS, he returned to work as first the Director of Business and Finance at Franklin Road Academy, and was later named the Headmaster at FRA. He retired from that position in 2001. Though he was not someone who sought recognition for his work, his peers chose to highlight his contributions to education numerous times. Governor Ned Ray McWherter awarded him with the Tennessee's Outstanding Achievement Award in 1992. He also received the Distinguished Service Award and Life Membership Award from the Tennessee Association of School Business Officials. He was active with the Tennessee Teachers Credit Union as well as Christ Church Cathedral, the PENCIL Foundation, and was the past president of the Tennessee Association of School Business Officials. On March 27, 2001, U.S. Rep. Bob Clement, a former student of his at Hillsboro High School, spoke on the House floor to honor Mr. Younger. He concluded his words by describing his life as "one of joy, humility, faith, friendship, and truth." Apart from these achievements and accolades, and the numerous roles he held, perhaps the name he valued most was "Granddaddy." He was his happiest on the golf course with friends, looking at the ocean with a drink in hand, traveling with Jessica, or most anywhere with his family. He knew how to fix most anything, always had a good story to tell, and knew that the time to put down grass seed was around the Tennessee – Florida football game. He was steadfast and calm. He will be deeply missed. Visitation will be at Christ Church Cathedral, Nashville, on September 5th, from 10-11am with service to follow at 11am. In lieu of flowers, please consider a contribution to Christ Church Cathedral, Alive Hospice, or The Ensworth School.
