JAMES AARON BROWN

Deceased
2026-03-14 Age 85
Nashville TN

J. Aaron Brown lived a life defined by creativity, joy, and a deep love for family and friends. Aaron passed away peacefully on March 14, 2026, in Nashville, Tennessee, with his beloved wife by his side. He was 85 years old. Aaron was born in 1940 in White House, Tennessee, the youngest of six children born to Myrtle and Robert Brown. Growing up surrounded by siblings Bethel, Ethel, Ruth, Carl and Bobby, Aaron developed the humor, warmth, and resilience that would define him throughout his life. He graduated proudly from Isaac Litton High School in 1958, maintaining close friendships with many of his classmates throughout the decades. Aaron's career in music began on the set of Hee Haw then working with the Oak Ridge Boys, launching a journey that would leave a lasting impact on the music industry. He later helped open the first division of Word Gospel Records in Nashville, where he played an important role in developing gospel and inspirational music. Aaron eventually founded his own publishing company, J. Aaron Brown & Associates, through which he produced and released "A Child's Gift of Lullabies" and numerous other recordings. His work was recognized nationally when he earned two Grammy Awards for Best Recording for children, a testament to both his creativity and his dedication to bringing meaningful music to families. While Aaron's professional accomplishments were significant, those who knew him best will remember his passion for life and the joy he brought to those around him. One of his greatest loves was water skiing, a sport he shared enthusiastically with family and friends for decades. His passion earned him induction into the Water Ski Hall of Fame in 2009, and over the years he taught countless people to ski on Old Hickory Lake and Center Hill Lake, often turning a simple day on the water into a lifelong memory. Aaron also created a beloved family tradition by playing Santa Claus for more than 32 years, delighting children and adults alike with his warmth,

CLASS of 58

humor, and genuine spirit of giving. Aaron was preceded in death by his parents, Myrtle and Robert Brown; his siblings Bethel, Carl, Ethel, and Ruth; and his beloved granddaughter, Taylor Brown. He leaves behind a family who adored him: his loving wife Connie McAdams; his sons Jay Brown and Matthew Brown (Carolyn); his brother Bobby Brown; and his grandson Hamilton Brown. He is also survived by a large extended Brown family and countless friends whose lives were enriched by knowing him. Aaron's legacy lives on through the music he created the memories he made on the water, the traditions he built with his family, and the joy he brought into the lives of others. In lieu of flowers, the family requests donations be made to the Parkinson's Foundation at <https://www.parkinson.org>.

kindness touched the hearts of all who knew her. Born in 1940, Jan's life was filled with love, laughter, and unforgettable moments. Jan was a loving wife, mother, and grandmother who naturally nurtured everyone around her. Her devoted husband of 54 years, Wayne Craighead, was her anchor and the love of her life. She cherished her two grandsons who brought her endless joy and love. Her kindness, hardworking spirit, empathy, humility, and resilience were evident in everything she did. Known for her delicious home-cooked meals, Jan loved nothing more than gathering family and friends around the table to share her country-style comfort food. Her home was always filled with the aroma of hearty meals and the sound of laughter. She enjoyed growing tomatoes, nurturing her plants just as she nurtured those around her. She had a gift for bringing people together, whether at family celebrations or casual visits from friends eager to enjoy her comforting dishes. She loved spending time outdoors, sitting with loved ones over a meal, and sharing stories under the open sky. Family trips to Panama City Beach were among her most cherished memories, where she delighted in collecting seashells and basking in the sun. Hawaii also held a special place in her and Wayne's hearts as their favorite destination. At Maplewood High School, where she served as a secretary, Jan became a second mother to many students, offering care and support beyond her official role. Her loving spirit was felt by all as she embraced her caregivers at Trevecca as family, and they, in return, called her "Mama." We hold Jan's memory close, remembering her radiant smile, and the unconditional love she so generously shared. Jan passed away peacefully on June 28th, 2025, in [Nashville, TN](#), leaving behind a legacy of love and joy. Her spirit will continue to shine in the lives of all who were fortunate enough to know her. She leaves behind a treasure trove of happy memories that will be cherished forever. Those who have passed on before her are husband, Wayne Craighead, parents, Theron Douglas and Muriel Douglas Herron, stepfather, William Herron, and many beloved pets. Those left behind to cherish her memory are daughter, Donna (Steve) Ingram, grandchildren, Steven Ingram, Peyton Ingram, daughter in love Debbie (Tim) Emory-Utzig, sister, Vickie (Steve) Proctor, and nephew, Chris (Melissa) Jones. Special Thank you to the amazing caregivers and nurses of Trevecca Center for Rehabilitation and Healing, and Adoration Hospice for their heartfelt dedication and continual devotion.

JO ANN LOWERY

Deceased 2016-01-20 Age 76
Hendersonville TN

Jo Ann Lowery Age 76 of Hendersonville TN passed away on Wednesday January 20 2016. Jo Ann a member of the class of 1958 was a graduate of Isaac Litton High School. As her high school career came to a close she joined the workforce in the field of banking. She was a dedicated hard-working woman who devoted thirty-plus years to her profession. In fact Jo Ann spent nearly half of her career serving her community at the Hendersonville Branch of First Tennessee Bank. When recalling her memory her family will always remember her legacy as a caring kind-hearted compassionate loyal giving thoughtful woman. It could even be said that she was kind to a fault and may have invested trust in some before it had ever been earned. Aside from her devoted service to her career Jo Ann loved her family. Her beloved daughter Holly recalls regular summer trips to Opryland and to the local swimming pool. Although these vacations were never far from home they were quality staycations which will forever be etched into her memory. Mother and daughter enjoyed a wonderful and deep relationship filled with great love and support. This love later manifested itself in the intense joy-filled moments spent with her grandsons. Jo Anns favorite time of year was spring; perhaps because Holly was born in May or because of the newness of life and beautiful flowers in bloom. She was a woman of quiet and constant faith who was a practicing member of the Episcopal Church. When it came to her musical taste she enjoyed country; especially Elvis Presley and contemporary Christian music. She was preceded in death by her parents Sam and Avanel Lowery. Jo Ann leaves behind her loving daughter Holly Dutton (Lakon) Tucker; grandchildren

KATHLEEN SUZANNE MOYERS WEINREICH

Deceased

2026-04-14 Age 85

Danville NH 03819-3136

Kathleen Suzanne (Moyers) Weinreich, 85, devoted wife, mother, grandmother and great-grandmother, passed away peacefully at home on April 14, 2026. She was a voracious reader and was a librarian for all of her working life. Suzanne was born and raised in Nashville, Tennessee, graduating from Isaac-Litton High School in 1958. She attended Maryville College, in Maryville, Tennessee for two years where she would meet her future husband, Bud. They wed in 1960 in Nashville, living in North Plainfield and South Bound Brook, New Jersey, eventually settling in Keyport, in 1966. She was both a founding member and president of the Keyport Parents Organization for the Keyport Elementary School during the years her children were in attendance. While raising three sons, Suzanne achieved her associates in Media Science from Brookdale Community College in New Jersey which allowed her to later pursue a career as a librarian putting her life-long passion of reading to work. When the family moved to Danville, New Hampshire, in 1979, Suzanne volunteered for the town library and became a trustee. Then she was a clerk, her first paying gig, at North Hampton Public Library where she later became director. In 1988, she moved on to work as a Circulation Librarian at Seabrook Public Library where she focused on the inter-library loan system. She enjoyed all aspects of her job but especially the research of new title acquisitions for the library, securing hard cover, paperback and audio books, a format of growing popularity at the time. Personally, while she loved a good mystery, she wouldn't limit herself to just the one genre. Her interests were varied and covered practically all types of fiction and non-fiction. She worked at the Seabrook Library until she retired in 2017. Suzanne always found a way to enjoy the things she loved despite her life-long battle with rheumatoid arthritis. She enjoyed biking, swimming, gardening, sewing and crafting especially for holidays like Christmas and Halloween. She also loved to be by the ocean and availed herself of opportunities when they arose. She was an avid sea shell seeker and would spot the most striking ones just as someone would spot a penny in a sidewalk crack. This was especially true when she and Bud visited Sanibel in Florida. She was in shell heaven. Suzanne loved animals, especially cats (large and small) whom she had plenty of to keep her family company over the years. Suzanne also loved spending time with her grandchildren and especially enjoyed the shopping trips with those that shared her love of arts and crafts. She would also on occasion accompany her husband to Saratoga Springs, New York for the Adirondack Live Steam Club meets, where they were both voting members, and while Bud was off with his fellow live steam aficionados, she would check out the area's unique craft shops. There was always room in the SUV for the things she'd find. After Suzanne retired from the library, and found she could no longer read books, Suzanne's passion for the written word never waned. It just changed formats and she became a voracious listener of audio books. And over the course of a few years amassed practically a room's worth of audio books on CDs. She also had regular audio selections sent to her from the state library's Talking Books program. The last selection she was listening to happened to be about the life of a centenarian. Suzanne didn't make it to 100, but she had a full 85 years worth of life experiences and regretted very little. Suzanne is survived by her husband of 65 years, Herman H. (Bud) Weinreich III, her three sons, Hank Weinreich IV, Craig Weinreich, Daniel

MARTHA LOUISE WEST FREDERICK

Deceased

2025-11-26 Age 85

Dacula GA

Martha West Frederick, 85, passed away on November 26, 2025, surrounded by family. She was born on August 19, 1940, in Haleyville, Alabama, to Cleon Versa West and Eunice (Nation) West. Martha married the love of her life, Clyde Frederick, on December 22, 1962, and they shared 58 years of marriage until his passing on January 5, 2021. Martha was preceded in death by her younger sister, Jane, who passed away from breast cancer. In honor of her sister's memory, Martha volunteered for many years in a national Sister Study to help advance breast cancer research. Together, Clyde and Martha raised two sons, Kyle (Anita Jones) and Kurt (Angie Hagstrom), who were the center of her world. She was "Nana" to six grandchildren - Emily Anne, Carolina, Claire, Laurel, Lily, and Daisy, each of whom she adored. Martha lived a life of selfless, steady service that started in her own home. Caring for her family was her joy, and she expressed her love through feeding them. A true Southern cook, she delighted in preparing meals and watching the people she loved enjoy them. Service was also the heart of her professional life. Martha was a dedicated educator for more than 30 years, earning both a master's and a specialist degrees in teaching and reading education. As a reading specialist, she worked tirelessly to help struggling students grow in confidence and ability, while challenging advanced readers to reach their potential. Her patience, skill, and belief in every child left a lasting impact on countless students. For over three decades, Martha also taught Children's Choir at Rehoboth Baptist Church in Tucker, Georgia - a place deeply meaningful to both her and Clyde. There, she loved teaching music, especially guiding children to sing and play along on the autoharp. Children from all backgrounds passed through her choir room, and she welcomed and loved them all. After retiring, Martha continued her commitment to children by volunteering at Children's Healthcare of Atlanta, helping young patients keep up with their reading while in the hospital. Even when the work was emotionally difficult, she felt called to continue helping any child she could. Outside of teaching, one of Martha's greatest passions was quilting. She was an artist in the truest sense, devoting a year or more to a single quilt, stitching beauty and care into every inch. Her quilts were gifts of love; each one made with a specific person in mind. Martha's love for people from all walks of life was broadened by her lifelong love of reading. She read widely - stories from around the world, from many cultures and perspectives, and it shaped her compassionate, expansive worldview. Martha leaves behind a legacy of kindness, service, music, learning, and love. She touched countless lives - students, children, patients, friends, family - and the world is unquestionably better because she was here.
